Notes

1. Items Marked + are included in Spares Kit SK-101-D (also included 4 x OV-11-212, not shown above—used on the inlet/outlet)
2. Line left intentionally blank
3. Motor A-447 is no longer available. All parts in Chart IV listed as "New Motor" are required to retrofit the valve and can be purchased as kit 15230. Valves which have a manual adjustment knob required kit 15450 which replaces the knob with a switch.
